

Section B ***Corporate Bodies and Committees***

Subsection I

General Meeting

A. Composition of the Presiding Board of the General Meeting

11. Details and Position of the Members of the Presiding Board of the General Meeting

On 14th April 2016, Abel Bernardino Teixeira Mesquita and Nuno de Deus Pinheiro were appointed as Chairman and Secretary of the General Shareholders' Meeting, respectively, for the term 2016-2018.

B. Exercising the Right to Vote

12. Restrictions on the Right to Vote

The Company and its Board of Directors particularly value the principles of free transferability of shares and assessment by shareholders of the performance of members of the Board of Directors.

As such Article Twenty Four of the Articles of Association of the Company establishes the rule that each share has the right to one vote.

Accordingly, the Company has not established mechanisms intended to cause mismatching between the right to receive dividends or the subscription of new securities and the voting right of each ordinary share, inter alia, no special rights for shareholders or restraints on the exercise of voting rights are provided for in the Company's Articles of Association, nor is there any special rule in the Articles of Association regarding

systems whereby the financial rights attached to securities are separated from the holding of securities.

Attending the Shareholders' Meeting is not subject to holding a minimum number of shares.

According to Article Twenty-Six of the Articles of Association of the Company, the Shareholders' Meeting may take place upon the first convocation, as long as more than 50% of the Company's capital is present or represented.

Participation in the General Shareholders' Meeting

Under the provisions of the Portuguese Securities Code and Article Twenty-Three of the Articles of Association, the shareholders that meet the following conditions can participate and vote at the General Meeting:

- i. On the Record Date, corresponding to 00:00 (GMT) of the fifth trading day prior to the General Shareholder's Meeting, they held shares of the Company entitling them to at least one vote;
- ii. By the end of the day prior to the day of the Record Date, they had stated in writing, to the Chairman of the General Shareholder's Meeting and to the respective financial intermediary, their intention to participate in the meeting;
- iii. By the end of the day of the Record Date, the respective financial intermediary has sent to the Chairman of the General Shareholder's Meeting information on the number of shares registered under that shareholder's name on the Record Date.

Postal Vote

According to paragraph three of Article Twenty-Five of the Articles of Association, postal votes are allowed. Pursuant to the Articles of Association, postal votes count for the formation of a constitutive quorum for the General Shareholders'

Meeting, and it is the responsibility of the Chairman of the Board of the General Shareholders' Meeting or his substitute to verify their authenticity and full compliance with the procedures, as well as to assure confidentiality when a vote is submitted. In the event that a shareholder or a shareholder's representative is present at the General Shareholders' Meeting, the postal vote that was issued is revoked.

Postal votes count as negative votes in relation to deliberative proposals presented subsequent to the date on which those votes were issued.

The Company has provided a form to exercise the right to vote by post on its web page.

As the Company's Articles of Association do not state anything on this matter, the Company has established a deadline of 48 hours prior to the General Shareholders' Meeting for receipt of postal votes, thus complying with and, to a certain extent, exceeding the recommendations of the CMVM on this matter.

Vote by Electronic Means

The Company, also recognising that using new technologies encourages shareholders to exercise their right to vote, has adopted, since 2006, adequate mechanisms so that they may vote electronically in General Shareholders' Meetings. Thus, shareholders must state their intent to exercise their right to vote electronically to the Chairman of the Board of the General Shareholders' Meeting, at the Company's Head Office or using the Jerónimo Martins website, at <https://www.jeronimomartins.com/en/>. In that expression of interest, shareholders must indicate the address of the financial intermediary with whom the securities are registered, to which a registered letter will be subsequently sent containing the electronic address to be used to vote, and an identification code to use in the electronic mail message by which the shareholder exercises its right to vote.

13. Maximum Percentage of Voting Rights That may be Exercised by a Single Shareholder or by Shareholders That are in Any Relationship as set out in Art. 20/1 PSC

The Company has not established rules stating that voting rights over a certain number are not counted, when issued by a single shareholder or shareholders related to it.

14. Details of Shareholders' Resolutions That, Imposed by the Articles of Association, may Only be Taken With a Qualified Majority, in Addition to Those Legally Provided

There is no special rule in the Articles of Association regarding deliberative quorums.

Subsection II Management and Supervision (Board of Directors)

A. Composition

15. Details of Corporate Governance Model Adopted

The Company has adopted the anglo-saxon governance model which corresponds to the option foreseen in subparagraph b) of Article 278 CCC. According to this model the management and supervision of the Company are organized through a Board of Directors, which includes the Audit Committee, and a Statutory Auditor.

16. Articles of Association Rules on the Procedural Requirements Governing the Appointment and Replacement of Members of the Board of Directors

The first Article of the Regulations of the Company's Board of Directors foresees that the composition of this body will be decided in the General Shareholders' Meeting pursuant to the terms indicated in paragraph one of Article Twelve of the Articles of Association, and that it will be presided over by the respective Chairman, chosen by the General Shareholders' Meeting.

Paragraph number three of Article nine of the same Regulations prescribes that in the event of death, resignation or impediment, whether temporary or definitive, of any of its members, the Board of Directors will agree on a substitute. If the appointment does not occur within 60 days of the absence of the Director, the Audit Committee will be responsible for appointing the substitute.

Diversity Policy

In Portuguese company law, the shareholders have exclusive competence to appoint the members of management and supervision bodies of companies.

Hence, considering that the shareholders are not to be confused with the Company, it is not possible for the latter to define or enforce a diversity policy as is foreseen in Art. 245-A, no. 1, r) of the Portuguese Securities Code, as amended by Decree-Law no. 89/2017, of 28th July.

In addition, the recent and late entry into force of Decree-Law no. 89/2017 still did not allow the shareholders to ponder and, wanting, to take expressly into consideration in elective procedures diversity concerns, which are underlying in the rules at stake (the first elective shareholder's general meeting after the entry into force of the said Decree-Law will only take place, foreseeably, on 2019).

This does not mean, however, that in selecting the members of management and supervision bodies of the Company (respectively, Board of Directors and Audit Committee), the shareholders do not take into account diversity criteria that seek to combine the individual attributes of each of the members, such as independence, integrity, experience and competence, with the specific characteristics of the Company, e.g., its governance model, its dimension, its shareholder structure and its business model.

It can even be said that, in the current structure of the Board of Directors and of the Audit Committee, the shareholders have safeguarded the gender diversity (notwithstanding compliance with the legislation on that subject that the Company will have to comply with from 2019 on), age diversity, qualification diversity and professional background diversity, as can be seen in point 1.3.1. of Chapter 1, and in points 17 to 19, and 26 of Chapter 3 of this document.

17. Composition of the Board of Directors

According to the Articles of Associations, the Board of Directors is comprised of a minimum of seven and a maximum of eleven members, elected by the General Shareholders' Meeting for three year terms. During 2017, the Board of Directors had the composition indicated below, being currently composed of nine effective members, who were elected at the General Meeting held on 14th April 2016 for the term of office 2016-2018:

18. Distinction Between Executive and Non-Executive Directors and, as Regards Non-Executive Members, Details of Members that may be Considered Independent

The Company seeks a balance in the composition of the Board of Directors through the integration of Non-Executive Directors and Independent Directors alongside the Executive Director, in the scope of a delegation of duties, the respective discrimination of which being referred in point 17, above. The distinctive criterium used by the Company coincides with that of the EU Commission's Recommendation 2005/162/EC, of 15th February 2005, being considered as Executive Director any member who is engaged in the daily management of the Company and, *a contrario sensu*, Non-Executive Directors are those who are not engaged in the daily management.

The Board of Directors is therefore composed of Non-Executive Directors, in particular Independent Directors who possess a wide range of technical skills, contact networks and connections with national and international bodies, who therefore enrich and optimise the Company's management in terms of creating value and ensuring adequate protection of the interests of all its shareholders, thereby ensuring effective monitoring, supervision and assessment of the activity of the remaining members of the Board of Directors.

In accordance with the principles by which the Company is run, although all Board Members are accountable to all shareholders equally, the independence of the Board of Directors in relation to the shareholders is further reinforced by the existence of Independent Board Members.

Pursuant to the 2013 CMVM's Recommendations on Corporate Governance, hereafter referred to as "2013 CMVM's Recommendations", considering

the provision of recommendation II.1.7, which establishes the independence criteria to be used in the evaluation made by the Board of Directors, Francisco Seixas da Costa, António Viana-Baptista, Clara Christina Streit, Sérgio Rebelo and Hans Eggerstedt qualify as Independent Directors. The latter three Directors are also members of the Audit Committee and therefore they are subject further to the independence criteria indicated in paragraph 5 of Article 414 CCC. According to these criteria, Director Hans Eggerstedt cannot be regarded as independent. Each of the members of the Audit Committee also complies with the rules of incompatibility laid down in paragraph 1 of Article 414-A CCC, except that provided for in sub-paragraph b).

Being the number of Independent Directors of four, in accordance to the criteria above mentioned, out of a total of nine Directors, the Company complies with recommendation II.1.7. (2013 CMVM's Recommendations), also in the part where it establishes that Non-Executive Directors shall include an appropriate number of independent members (*in casu*, half of such Directors).

The Chairman of the Board of Directors, according to the Board of Directors' Regulations, in addition to the institutional representation of the Company, has a special responsibility for managing the respective meetings, for monitoring the action taken on the decisions made by this body, for taking part in the meetings of other committees set up by the Board of Directors and for defining the overall strategy of the Company.

Delegation of Powers and Coordination of Non-Executive Directors

The Board of Directors, by resolution, delegated various duties regarding the day-to-day management of the Company in one Chief Executive Officer who, in the terms of such delegation, is entitled:

- a. to manage all corporate businesses and perform all operations relating to its corporate objectives, included in the scope of its current role, as holding company;

In 2017, the Managing Committee remained in office as the consultative body which, as referred in point 29, has the primary goal of assisting the Chief Executive Officer in the duties delegated by the Board, in relation to the daily management of the businesses within the corporate purpose of the Company.

Nevertheless, pursuant to the terms of its Internal Regulation, the Board of Directors retains authority over strategic matters of management of the Group, in particular those regarding the definition of general policies of the Company and the corporate structure of the Group and those that, due to their importance and special nature, may significantly impact on the business activity of the Group.

The matters referred to in Article 407(4) CCC are off-limits to the Chief Executive Officer.

Apart from the powers on strategic matters of management of the Group, the Board of Directors has effective control on directing corporate activities by always seeking to be duly informed and by ensuring the supervision of the Company's management, having implemented mechanisms that ensure such supervision.

To this end, at each Board of Directors meeting the Chief Executive Officer reports on the Company activity since the last meeting and provides any further clarification that

the Non-Executive Directors may require. All information requested by the Non-Executive Directors in 2017 was provided in full and in a timely manner by the Chief Executive Officer.

Additionally, considering that the Chief Executive Officer is, simultaneously, Chairman of the Board of Directors, it was approved by decision of the said Board, a Mechanism for Coordinating the Activities of Non-Executive Directors, complying with recommendation II.1.10 of CMVM's Recommendations 2013.

Such Mechanism foresees that the members of the Board of Directors who are not part of an Executive Committee or are not Executive Directors are responsible, pursuant to the terms of Article 407, paragraph 8 CCC, for monitoring the activity of the Executive Committee or the Executive Directors, as the case may be, as well as for the damages caused by their acts or omissions when, having knowledge of such acts or the intent to commit them, they do not seek the intervention of the Board of Directors to take the necessary measures.

The monitoring and supervising activity is also carried out by Non-Executive Directors through their participation in Specialized Committees and working groups set up by the Company, as well as in the corporate bodies of subsidiary companies.

Still on the terms of such Mechanism, the Executive Directors or the Chairman of the Executive Committee, as applicable, as well as Directors charged with a special duty, pursuant to the terms of Article 407, paragraphs 1 and 2 CCC, shall:

- a) whenever necessary disclose to Non-Executive Directors all the relevant information regarding the performance of the delegated powers or the special duty conferred upon them;

b) answer, within a reasonable deadline, to any information request presented by any Non-Executive Director, within their respective functions, and such information shall also be made available to the remainder members of the Board of Directors.

It is foreseen in the said Mechanism that Non-Executive Directors may also meet in *ad hoc* meetings, convened at the request of any two of them by the Company's Secretary (who shall inform the Chairman of the Board of Directors about the summons), pursuant to the terms foreseen in the Board of Directors Regulations.

In order to allow for an independent and informed participation of Non-Executive Directors in the meetings of the Board of Directors or in the meetings of the Specialised Committees and working groups set up by the Company as well as in the corporate bodies of subsidiary companies they integrate, the Mechanism foresees that the Company's Secretary shall make available to them the definitive agenda of the meeting and respective preliminary documentation, pursuant to the terms and within the deadlines foreseen in the Board of Directors Regulation.

The Company's Secretary shall also ensure, according to the Mechanism implemented, the delivery to the Directors, who so request, of a copy of the minutes of the meetings of the Managing Committee as well as a copy of any other minutes of the meetings of Corporate Bodies or Specialised Committees within the Board of Directors. Moreover, the Company's Secretary shall, within its duties, provide Directors with all information regarding the resolutions of the Board of Directors or Executive Committee or the decisions of the Executive Directors.
